

TV Tilt and Swivel Bracket 37-70" Single Stud Mounting Plate 04MM-TB14

For the Best

The 04MM-TB14 is a full-motion single stud wall mount for most 37"-70" TVs up to 35kg. With extension up to 610mm from the wall, swivel up to 90° left or right and -15°-+5° tilt for a full range of movement to perfectly position your screen for optimal viewing. The pre-assembled arm comes complete with integrated cable management and covers to ensure an elegant and tidy look. The built-in level adjustment offers 3° clockwise and counters clockwise rotation to ensure it is perfectly level.

Features and Benefits

- » Single Stud wall attachment, perfect for corner mounting TV's
- » Swivelling Arms offer maximum viewing flexibility (makes every seat the best seat)
- » Built-In Level Adjustment ensures perfect positioning.
- » Cable Management: elegantly hides any cables that are attached to displays
- » Free-Tilting Design: for multiple monitor viewing angles
- » Compatible with VESA patterns up to 600x400.
